

# Central Jersey Pediatric Dentistry & Orthodontics

## COVID-19 SAFETY PLAN

### Infection Control

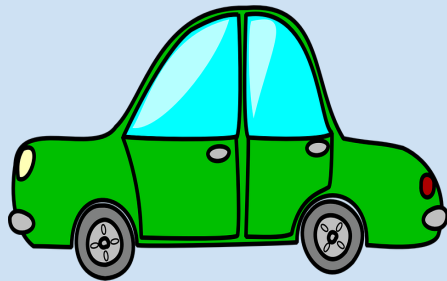

- Please wear a mask and use hand sanitizer when entering the office.
- Social Distancing will be practiced.
- Staff will wear personal protective equipment (PPE), follow standard universal precautions and adhere to sterilization protocols at all times.
- Staff will wash/sanitize their hands properly between patients.

### Scheduling

- COVID-19 exposure screening prior to your visit and at check in.
- Reschedule if anyone in your household has been sick within 14 days.
- Patient appointments will be spaced out. Please be patient as we try to accommodate everyone.

### Arrival

- Park, call to check in and wait in your car for us to welcome you.
- Patient/Parent temperatures will be taken before entering the office. Any patient with a temperature greater than 100.4 will be asked to reschedule.
- Only one parent per child will be permitted to enter the office for young patients and special needs patients. Older children are asked to come into the office unaccompanied and parents are asked to remain available by phone.

### Treatment

- All patients should brush prior to arrival as the brushing station will be closed.
- All patients with parents/guardians waiting in cars will be given a treatment letter, hygiene report form or orthodontic report form.
- No tokens will be handed out at this time
- If waiting in car, please call to check out and make follow up visits.

Please call with any questions or concerns (732) 257-5588
